NEW FOR 2009:

New material is in red.

NRA HUNTER'S CODE OF ETHICS

1. *I will consider myself an invited guest of the landowner, seeking his permission, and so conducting myself that I may be welcome in the future.*
2. *I will obey the rules of safe gun handling and will courteously but firmly insist that others who hunt with me do the same.*
3. *I will obey all game laws and regulations, and will insist that my companions do likewise.*
4. *I will do my best to acquire those marksmanship and hunting skills which will insure clean sportsmanlike kills.*
5. *I will support conservation efforts which can assure good hunting for future generations of America.*
6. *I will pass along to younger hunters the attitudes and skills essential to a true outdoor sportsman.*

INTRODUCTION

The NRA Youth Hunter Education Challenge State Championship is conducted annually in cooperation with NRA by the New Mexico Shooting Sports Association, the New Mexico Department of Game and Fish and New Mexico 4-H. To be eligible to participate, one must be:

1. A resident of New Mexico.
2. A graduate of a New Mexico Hunter Education course.

All information on all activities has been taken from the NRA Hunter's Guide, New Mexico Hunter Education Student Manual, New Mexico Big Game Proclamation, Be An Expert With Map and Compass Orienteering Handbook, A Field Guide to Western Birds, A Field Guide to the Mammals, or Your Way with Map and Compass Orienteering.

AGE - TEAM REQUIREMENTS

Participants eleven or younger on or before Aug 1 will participate as Novices. Participants must be twelve to fourteen years of age on or before Aug 1 to be eligible to participate as juniors. Participants must be fifteen to eighteen years of age to be eligible to participate as seniors.

All participants may enter the senior category. However, if the participant turns nineteen years of age during the calendar year 2009, they must have been enrolled in high school for the full 2008-2009 school year.

All competitors may participate either as individuals and/or on five (5) person teams but must compete in the same age group for both team and individual.

Teams will consist of five (5) participants who may or may not be from the same city or county. Team members must be declared before the Challenge begins and may not be changed during the Challenge.

ENTRIES AND CANCELLATIONS

Each participant and/or team must be pre-registered with New Mexico Shooting Sports Association by May 16, 2009 with an accompanying registration fee of \$25 per participant. The registration fee will cover awards, targets, keepsakes and entry packet. The registration fee is NOT refundable. The registration fee is transferable to designated alternates.

See Appendix A for required Entry Forms.

TRAVEL AND ACCOMMODATIONS

Participants will be responsible for all travel expenses to the New Mexico Youth Hunter Education Challenge.

Further information on accommodations at the NRA-Whittington Center (NRA-WC) can be obtained by telephoning 575 445-3615 or writing to P. O. Box 700, Raton NM 87740.

ROOM AND BOARD

All participants will be responsible for their own room and board while attending the New Mexico Youth Hunter Education Challenge.

Meals WILL NOT be available at the NRA Whittington Center (as of 1/19). Contact the Whittington office for possible change in status.

TEAMS AND INDIVIDUALS

In 2009, New Mexico will use an individual format and a team format for the New Mexico Challenge. Participants must designate whether they are with a team or participating as an individual. Teams will be eligible for team awards only. Individuals will be eligible for individual awards only. Grouping of top individuals into teams after the New Mexico Challenge begins will not be allowed. All participants compete for individual awards. Team awards are given for overall aggregates.

All participants must have successfully completed a hunter education course in New Mexico. Individuals are not required to have taken the same hunter education course, nor to have taken the class from the sponsoring instructor.

Each individual or squad must have at least one sponsoring coach. The coach will chaperone and instruct for the duration of the New Mexico championship and will continue with the individual, squad or team if they qualify for the national Challenge.

All participants will have to bring in their possession the following:

1. Birth certificate or copy
2. Hunter Education Card (original for safety trail event)

PROGRAM REGULATIONS:

Safety will be the first and foremost consideration during all activities.

Participants and spectators assume all risk of personal injury or property damage as noted on the required release form accompanying the pre-registration materials.

Participants violating any safety rule will be given one warning and then be disqualified from further participation if a second infraction occurs. If the safety violation is severe, the participant may not be given a warning.

Participants provide their own compasses and eye and ear protection. Participants should provide their own firearms and bows and arrows. A limited amount of loaner equipment is available provided prior arrangements are made with challenge director.

No participant may participate for another team member in any activity, unless replacing them as a designated alternate for all events.

Participants are expected to exhibit behavior above reproach at all times. All participants and parents must sign a statement of understanding regarding behavior before they participate.

SAFETY RULES

1. Know and obey all range commands.
2. Guns and magazines are to be unloaded except when on the firing line, ready to fire.
3. Arrows will not be knocked until on the firing line.
4. All .22 rifles and shotguns must have a safety device. Muzzleloaders will remain uncapped until on the firing line. The safety will remain on, or in a safe condition, at all times except when ready to fire.
5. All firearms will be pointed and bows drawn in a safe direction at all times.
6. Actions of uncased firearms must always be open except when on the firing line, ready to fire.
7. Only one shell or cartridge may be placed in a gun at a time, unless otherwise specified in the rules for the activity.
8. **Participants must wear adequate eye and ear protection while on the firing line.**
9. Firearms and bows should be placed in a gun or bow rack at the activity until called to participate. Firearms and bows not in use should be locked in vehicles or safe storage sites during the New Mexico Challenge. Their security is the coaches responsibility.

SCORING

Individual scoring will be based on the participant's performance in each activity. Team scoring will be based on the aggregate of all individual team member's scores.

AWARDS

The individual in the junior category with the highest aggregate score in all eight events will be designated the New Mexico State Junior YHEC Champion and will be awarded a plaque. The individuals with the next two highest aggregate scores will be designated as second and third. Each participant will receive a certificate indicating rank in each of the eight activities.

The individual in the senior category with the highest aggregate score in all eight events will be designated the New Mexico State Senior YHEC Champion and will be

designated as second and third. The individuals with the next two highest aggregate scores will be designated as second and third. Each participant will receive a certificate indicating rank in each of the eight activities. The same with Novices.

The team in the junior category with the highest aggregate score in all eight events will be designated the New Mexico State Junior Team Champion. The teams with the next two highest aggregate scores will be designated as second and third. Plaques will be awarded to the individual team members of the State Champion Team and their coach.

The team in the senior category with the highest aggregate score in all eight events will be designated the New Mexico State Senior Team Champion. The teams with the next two highest aggregate scores will be designated as second and third. Plaques will be awarded to the individual team members of the State Champion Team and their coach.

TIES

Ties for all activities will be broken as follows:

The team or individual with the highest level of achievement in the Hunter Responsibility Exam will be declared the winner. If a tie remains, the team or individual with the highest level of achievement on the Hunter Safety Trail Challenge will be declared the winner. If a tie still remains, the team or individual with the highest combined level of achievement in the four (4) responsibility events (Hunter Responsibility Exam, Hunting Orienteering Skills, Hunting Wildlife Identification Challenge, Hunter Safety Trail), will be declared the winner. The final tie breaker will be based on a combined score of Shotgun, Rifle and Archery."

Tie Breaking sequence: Responsibility Exam
Hunter Safety Trail
Combined score of Exam, Orienteering, Wildlife ID, Safety Trail
Combined score of Shotgun,
Rifle and Archery

CHALLENGES

Challenges concerning the value of shots as scored must be made immediately after the shot is scored and before the arrow is removed. Only participants may challenge and all challenges must be made during the challenge period and shall be made to the appropriate Event Director. All determinations by the Event Director on challenges will be final.

PROTESTS

Protests are to be brought to the attention of the Event Director. If the individual receives no satisfaction, a written protest may then be submitted to the YHEC Protest Committee within two hours of the protest, for review, consideration and final decision. The YHEC Protest Committee will handle all disputes except those regarding the value of shots as scored. Any questionable equipment, behavior or score will be decided by these officials based on regulations and guidelines printed in this Activity Manual. All decisions made by the Protest Committee will be final. The YHEC Protest Committee will

be composed of four persons (the YHEC Director and three assigned YHEC volunteers).

ALIBIS

Only range, trap or ammunition malfunction will constitute an alibi. No alibis will be allowed for firearm, arrow or bow malfunction. In the event of a firearm or bow malfunction, participants may borrow a firearm or bow and continue the relay. No practice or sighting-in will be allowed for borrowed firearms once the Challenge activities have started.

AMMUNITION

All ammunition used in the Light Rifle Challenge activity will be .22 caliber standard rifle cartridges. No stinger, sniper, or super hot rounds or those with heavy bullets allowed.

No sighter shots will be allowed once the Challenge begins.

12 and 20 gauge ammunition in low brass target loads will be furnished by New Mexico Shooting Sports Association to every participant. Any participant desiring to use a gauge other than the above will have to furnish their own shells. Only factory loaded target shells with shot size between 7-1/2 and 9 (inclusive) will be allowed. It will be the responsibility of the participant or coach to have these shells in the hands of the officials before the activity is fired.

N O T E: DUE TO TIME CONSTRAINTS, THE HUNTER RESPONSIBILITY CHALLENGE EXAMINATION WILL BE GIVEN SATURDAY EVENING.

HUNTING WILDLIFE IDENTIFICATION CHALLENGE

- A. Participants or teams will walk through a field and/or woodland course in a natural setting. The course is designed to simulate actual wildlife-sign encounters while outdoors.
- B. The Hunting Wildlife Identification Challenge will be conducted with the participants or teams observing animal tracks, mounted (game) animals, reading wildlife signs and identifying them from one to fifty yards. Wildlife will be either mounted or tanned hides, depending on what is available; animal tracks can be original or molds made of the prints; the wildlife signs can be real or reproduced.
- C. No wildlife identification books, encyclopedias or other written, taped or transcribed material can be used in this activity. Also no talking will be allowed between the participants and instructors or other participants while on the course.

HUNTING ORIENTEERING SKILLS CHALLENGE

- A. Orienteering Skills Challenge: Participants or teams will be required to use a compass and complete a written exam.
- B. The Orienteering Skills Challenge will be conducted with the participants or teams taking a bearing with their compass. They may also be asked to close a triangle, identify map symbols, understand contour lines, scale, declination and map reading. The participant may be asked to identify how nature can give you different directions of travel (north, south, east and west, etc.). These situations can be used as well as many other in the Orienteering Skills Challenge (not to be announced before the program).
- C. Only magnetic compasses can be used on the Orienteering Skills Challenge course used without tripods or other support. No orienteering books, encyclopedias or other written taped or transcribed material can be used in this activity. Also, no talking will be allowed between the participant and instructors or other participants while on the course. Refer the NRA's Hunter's Guide, Be An Expert With Map and Compass Orienteering Handbook by Bjorn Kjellstrom and Your Way with Map and Compass Orienteering by John Disley. These Silva Compass publications may be purchased through Johnson Camping, P. O. Box 966, Binghamton, NY 13902, or by calling 1-800-847-1460.
- D. Team scoring will be based on the five individuals scores who make up the team.
- E. The Orienteering Course will close at 5:00 PM.

HUNTER'S SAFETY TRAIL CHALLENGE

- A. Hunter Safety Trail Challenge: Participants or teams will walk through a predetermined trail designed to simulate actual hunting conditions and situations. The participant will be required to demonstrate their knowledge of hunter safety on this practical field course.
- B. The Hunter Safety Trail Challenge will be conducted with the participants moving from station to station with each situation varying greatly. Participants may be tested and scored on the do's and don'ts of firearms safety and shoot/don't shoot situations encountered in a hunting environment. Stations may include, but are not limited to, hunter game situations, target identification, landowner relationships, ethics and safe gun handling afield.
- C. A ten point penalty, per designated station, will be assessed if a participant or team violates safety rules.
- D. No hunter education books or other written, taped or transcribed material can be used in this activity. Also, no talking will be allowed between the participant and instructor or other participants while on the course.
- E. Participants will be using primed(only) 12 or 20 ga shotgun shells. Participants should bring a 12 or 20 ga shotgun to the event.

HUNTER RESPONSIBILITY EXAM

- A. The Hunter Responsibility Exam will include 60 objective questions (written, multiple choice, true or false or fill-in-the-blank).
- B. All questions are taken from information contained in NRA's Hunters Guide, NRA Hunting Skills Handbook, New Mexico Hunter Education Student Manual, or the 2009-10 New Mexico Big Game Proclamation.
- C. Participants must answer all test questions with no assistance from other participants, written materials or instructors.
- D. Students will have 60 minutes (one hour) to complete the test.
- E. There are no achievement levels in the Hunter Responsibility Exam. It is used as the primary tie-breaker for all events.
- F. Participants who NEED the test read to them, must personally, notify the stat office prior to 5:00 PM, the day of the test.

HUNTING ARCHERY CHALLENGE

- A. Archery Challenge: Participants will walk through a field archery course in a natural setting. The course is designed to simulate shooting situations encountered while bowhunting.
- B. The Archery Challenge will be conducted with the participants taking shots at Life-Sized Game Targets (3-D) varying in distance. **NOTE: A time limit of 45 seconds will be applied at each station.**
- C. Only hunting-type compounds, recurves or long bows will be permitted. Bows may be equipped with hunting-type sights. Shooters may use only one bow for this activity except in the case of malfunction. Only target or field points arrows will be permitted. Participants MUST HAVE A QUIVER IN ORDER TO COMPETE.
- D. Tie scores will be broken in both team and individual categories.
- E. The following will not be permitted for the Archery Challenge:
1. Shocker or Bludgeon points.
 2. Extended sight bars that measure farther than six inches from the back of riser of bow to front of sight.
 3. More than six sight pins or positions
 4. More than one stabilizer
 5. Stabilizer over twelve inches
 6. Arrow shafts that do not have target or field points.
 7. Range finders,
 8. Crossbows
 9. Broadhead hunting tips
 10. Sights that have lens with or without magnification.

HUNTING SHOTGUN CHALLENGE

A. Hunting Shotgun Challenge: Participants will walk through a Hunter's Clays course. This course is not patterned after conventional skeet and trap shooting, but is designed to simulate hunting conditions and situations. The layout will vary depending on the available topography. The shooting stations will make use of available cover to best depict running animals, bird flight and shooting obstacles.

B. Targets will be the Hunter/Sporting Clays clay type targets. Sizes of the clay targets may vary depending on different situations.

C. The ready position for calling for the target requires the gun to be off the shoulder with the gun butt plate below the shoulder level. The gun may not be shouldered until after the target is visible. In other words, in case of a delay pull the participant cannot call for the target and immediately shoulder the gun. The participant must wait for the bird to appear.

A legal target is a whole clay target that is thrown from the trap in a prescribed flight pattern within the five second time limit after the participant calls for the target. Targets broken by the trap or another obstruction will not be scored. These are illegal targets and will be rethrown for the participant, regardless of whether or not the participant fires at the target.

D. Shotgun shooting rules:

1. Safety and courtesy are first in gun handling; therefore, all guns will be carried unloaded and with the actions open.

2. Shotguns with choke tubes will not be allowed to be changed during the shotgun activity. Shotgun barrels will not be changed during the activity. The same holds true with changing of shotguns. Participants may use only one shotgun throughout the activity, with the exception of a shotgun malfunction.

3. Tie scores will be broken, in both individual and team categories. See page 3.

4. Any gun in good, safe working condition of 12 or 20 gauge will be allowed. Lenses, optics, illuminated-type sighting fixtures or release triggers are not allowed. Double targets will be thrown in some instances, therefore the shot gun should be capable of holding two shells.

5. 12 and 20 gauge ammunition in low brass target loads will be furnished by New Mexico Shooting Sports Association to every participant. **Any participant desiring to use a gauge other than the above will have to furnish their own shotguns and shells. Only factory loaded target shells with shot size between 7-1/2 and 9 (inclusive) will be allowed.** It will be the responsibility of the participant or coach to have these shells in the hands of the officials before the activity is fired.

E. Shooting Procedures;

Each team or squad of individuals with their instructor may or may not be allowed (as a group) to see one legal target from each trap prior to shooting the activity at the station. The participant only will be allowed on the station or firing line while shooting each station. The scorer or range officer will hand shells to the shooter as required. The shooter shoots his/her quota of targets and then returns their gun to the gun rack; the next participant steps forward and repeats the sequence until all individuals and team members have had their turn.

F. Scoring will be done by NMSSA selected officials. Only legal targets will be scored and the scorer will be sole judge of whether or not a target is broken. Officials may ask assistance from the trap operator or the range official if they feel their assistance is required.

The scorers will call lost for any target they feel is missed. Any challenge to the call must be made immediately by the participant. The final decision will then be made by the scorer with assistance from the trap operator and/or the range official.

Rule violations and procedure violations can be referred to the staff and officials for settlement but legality of targets and whether or not the target is broken is the responsibility of the scorer. Only targets with a visual piece broken off will be scored dead. Duster and even targets deflected in flight (but with no visible breakage) will be scored lost.

Based on the scorer's judgment, if a target hits an obstruction such as a tree or limb of a tree before the participant has had ample time to fire at the target, a new target will be thrown. However, if the participant has had ample time to fire in the scorer's judgment, and failed to do so before the target hits and object near the end of its flight and breaks, the target will be scored lost.

G. Malfunctions: Only the following malfunctions will be allowed and a new target or targets thrown a) ammunition b) trap failure or failure of trap operator.

The following malfunctions will not be allowed and targets will be scored lost: a) participant's error b) failure to load gun c) failure of gun to fire (other than defective ammunition) d) failure of gun to reload. If a gun breaks through no fault of the participant, another gun may be borrowed and the activity continued. However, if the breakage occurs during the firing at a target, and the target is missed, it will be scored as lost.

LIGHT HUNTING RIFLE CHALLENGE

A. Light Rifle Challenge: Participants will move or walk through a rifle field course in a natural setting. The course is designed to simulate shooting situations encountered while hunting.

B. The Light Rifle Challenge will be conducted with the participants taking shots at swinging iron silhouettes and varying distances from 15 to 75 yards.

1. Participants may shoot from any position unless told different.
2. The stake with the stations number is **not** to be used as a prop.
3. Magazines are not to be loaded until on the line with scorer. Preloaded mags will be downloaded and reloaded.

C. Rifles: Only standard type .22 caliber rifles designed primarily for hunting will be permitted. All action types, except fully automatic, will be permitted. The rifle may not exceed eight and one half pounds in weight including telescope but without a sling and must have a safe trigger pull. Rifles may be equipped with a hunting sling not to exceed 1-1/2" (3.81 centimeters) in width. Rifles may be equipped with a sporter-type thumbhole stock(non-adjustable).

Sights will be open, peep with standard front post and bead, or hunting scopes fixed or variable power optics nine power or less. Shooter may not change guns after firing begins, except in the event of a gun malfunction.

BRING YOUR OWN AMMUNITION. All ammunition used in this activity must be standard or high velocity .22 caliber rifle cartridges. No super hot, stingers or heavy bullets allowed (to protect targets). Bring the ammo in the original box.

No sighter shots will be allowed once the Challenge begins.

D. The following will not be permitted for the Light Hunting Rifle Challenge:

1. Clothing with added padding, stiffness or shirt cup designed to assist shooter in remaining steady.
2. Shooting mats
3. Competitive thumbhole stocks
6. Palm rests or forearm of stocks exceeding 2-1/4" wide or 2-1/4" deep as measured from the center line of the bore.
7. Scopes, fixed, or variable power optics with capabilities greater than nine power.
8. Binoculars, monoculars or spotting scopes.
9. Range finders.
10. Adjustable competition sling swivel.
11. Kneeling roll.
12. Shooting sticks.

HUNTING MUZZLELOADER CHALLENGE

A. Hunting Muzzleloader Challenge: **Participants will be shooting steel knockdown or swingers at three distances from 20 to 75 yards in 2007.**

B. The Hunting Muzzleloader Challenge will be conducted with the participants taking shots at NRA Life Sized Targets (deer, black bear, coyote and antelope) with scoring areas designated before the event and varying distance from 20 to 75 yards. Participants will shoot from three shooting positions. (Alternate targets)

1. Position number one will have a shooting distance between 20 yards and 35 yards. Participants will only shoot from a standing position with no props permitted at these distances.

2. Position number two will have a shooting distance between 36 and 50 yards. Participants may use any shooting position (excluding prone) with the vertical post prop or crossed sticks as the only aide.

3. Position number three will have a shooting distance of 51 yards and 75 yards. Participants may use any shooting position and utilize any of the available props.

C. Muzzleloaders and Equipment: Any flintlock or percussion type muzzleloading rifles will be permitted. Participants are required to bring their own accessories, caps and powder. Muzzleloaders may have a set trigger, not to be set until ready to fire. Muzzleloaders may be equipped with a sling not to exceed 1-1/2 inches (3.81 centimeters) in width. **Sights will be iron, open with adjustable rear sight and front post.** Muzzleloader may be loaded with a single patched lead ball or pure lead bullets. Muzzleloaders may be equipped with sporter type thumbhole stocks(non-adjustable)

D. For this event muzzleloaders will be available and sighted in for use by participants who do not possess their own.

The following will not be permitted for this event:

1. Shooting mats
2. Scopes or telescopic sights
3. Spotting scopes
4. Range finders
5. Kneeling roll
6. Adjustable competition sling swivels
7. Competitive thumbhole stocks(adjustable)
8. Metal jacketed bullets with sabots
9. Peep sights
10. More than 60 grains of black powder or pyrodex per load
11. Muzzleloaders larger than .54 caliber
12. Adapter kits that would change muzzleloader ignition
13. Smokeless powder
14. Open cans of powder on line (ie, no caps on can).
15. Pure lead bullets/balls weighing more than 385 grains.
16. Wooden ramrods

2008 YHEC MUZZLELOADING PROCEDURES

General:

1. Four targets per bank with four shooters per table. Each target and loading station will be numbered and shooter must load from that station.
2. Two sets of equipment for 50 caliber will be provided at each table.
3. Shooting will be all day Saturday, (7-5), and 7-10 Sunday (as will rifle, archery and shotgun if needed).
4. Numbered score sheets will be issued by Chief Range Officer. Shooters will be taken by order of number, but shooters must be present when number is called or they will go to the bottom of the list.
5. Each line officer (scorer) will have a CO2 discharger.
6. No spotting and coaching from anywhere. No scope stands permitted.
7. The line officers at each table will serve as safety officers, will record the number of shots fired at each target, will score all hits.
